

PUBLIC WORKSHOP

Fairfax County, Virginia

When:

Tuesday, January 21, 2003
6:00 PM to 8:00 PM

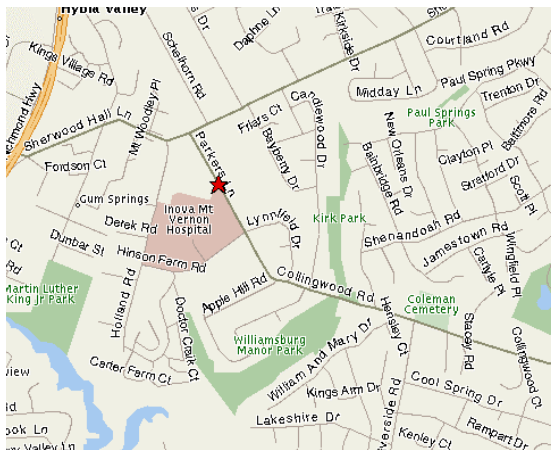

Where:

Walt Whitman Middle School
2500 Parkers Lane
Alexandria, VA 22306

Purpose:

The Federal Highway Administration (FHWA), in cooperation with the National Park Service (NPS) have developed alternatives to accommodate additional parking; improve safety for pedestrians, cyclists, and motorists; and potential connections of the Route 235 trail to the Mount Vernon Trail; as part of the Mount Vernon Circle Environmental Assessment, in the vicinity of the George Washington's Mount Vernon Estate and Gardens in Fairfax County, Virginia. At the previous meeting on June 26, 2002, several general concepts were presented and the public provided comments. The project team has now developed alternatives based on the input from citizens, stakeholders and further review of the existing and planned conditions.

★ Location of Meeting

A short presentation will be made at 7:00 pm to provide an overview of the project Purpose and Need, and present various parking and trail alternatives. Representatives from FHWA and NPS will be available to discuss the proposed alternatives. You are invited to attend and provide feedback on the alternatives. The additional information can be found at the web site, <http://efl.fhwa.dot.gov/planning/nepa/index.htm>.

Comments:

Comments and other information relative to the proposed project may be submitted at the meeting or sent to Mr. Jack Van Dop, FHWA at 21400 Ridgetop Circle, Sterling, Virginia 20166, at any time no later than 10 days after the workshop (January 31, 2003).

Special Assistance:

If you require additional information or special assistance to attend and participate in this meeting, please call Kimlev-Horn and Associates at 703-934-0909.
